

PRESENT MADE

Mill View Consultation Questionnaire

This questionnaire will be used to gather feedback from the community and influence the future design and development of our proposals at Mill View (located at the Thickthorn Farm site).

To view the latest proposals for the scheme, please visit www.millviewconsultation.com or contact us at FREEPOST Mill View Consultation or on 0800 448 0857 to have a hard copy sent to you. We also have an online version of this survey available on the website.

Section 1: Phase 1 – Initial Residential Element

1. The proposed scheme has planning consent for 650 homes. What types of home do you think are needed most in the local area? (Please rank in order of priority, 1 being highest, 6 being lowest)

- Flats/apartments – one bedroom ...
- Flats/apartments – two bedrooms ...
- Two-bedroom houses ...
- Three-bedroom houses ...
- Four-bedroom houses ...
- Other (please specify)

2. Our ambition is to create homes with the lowest environmental impact. What design measures would you like to see utilised to meet this aim?

- New construction techniques which have a lower environmental impact
- Use of more sustainable materials
- Technology such as photovoltaic panels (solar)
- Technology to help measure and control energy use, e.g., smart meters
- Integrated greenery, e.g., “living walls”
- Other (please specify)

.....

3. Do you think that the design of the homes should reflect the context of the local area?

- Yes
- No
- Don't know

4. Please explain your answer for Q3 (what would you like to see, what do you like/dislike about designs in the local area) OR SKIP TO Q5:

.....

.....

.....

.....

.....

5. We want to encourage healthy lifestyle choices through our design. If you lived locally, how likely would you be to use the following if they were provided:

- Bike infrastructure (upgraded cycle routes, bike storage, etc.)
- Extensive footpath network (suitable for walking, running)
- Local bus routes
- Electronic charging points for vehicles
- Shared transport options (e.g., on demand car services)
- Other (please specify)

.....

6. If we invested in infrastructure and facilities as outlined in Q5, would you support a reduction in car spaces allocated to each property?

- Yes
- No
- Don't know

Section 2: Phase 1 - Country Park

As part of the conditions of the original Outline Planning Consent for the site, we have had to put forward some initial proposals for the Country Park. In this section, we are asking for feedback on the plans so far and want to know what additional aspects you would like to see.

7. As part of our proposals, we plan to include a range of play areas and facilities for children of all ages. Please indicate the styles of play areas that you would like to see (select all that apply):

- | | |
|--|--------------------------|
| Formal play equipment e.g. climbing frames, slides, swings | <input type="checkbox"/> |
| Fitness equipment | <input type="checkbox"/> |
| Open play spaces | <input type="checkbox"/> |
| Natural play within the landscape | <input type="checkbox"/> |
| Bike tracks | <input type="checkbox"/> |
| Nature trail | <input type="checkbox"/> |
| Adventure playground | <input type="checkbox"/> |
| Other (please specify below) | <input type="checkbox"/> |

.....

8. The country park will include a large proportion of informal, open space. Please let us know which of the following you value the most by ranking from 1 (highest priority) to 9 (lowest priority):

- | | |
|---|-----|
| Amenity open space (e.g., sports pitches, play areas) | ... |
| Paths and cycling routes | ... |
| New woodland planting | ... |
| Orchards | ... |
| Allotments | ... |
| Parkland | ... |
| Conservation spaces | ... |
| Lakes and waterways | ... |
| Grazing space | ... |

9. Would you like to see the country park used for events such as (please select all that apply):

Forest school/ educational events

Sports

Running clubs

Community events

Heritage walks

Stargazing

Other (please specify below)

.....

10. Our ambition is for the country park to promote active travel options (e.g., walking and cycling) and so we would like to limit the amount of parking onsite at the country park. Do you support this approach?

Yes

No

Don't know

11. We would like to incorporate public art related to the heritage of the local area. If you have any suggestions, please include them below:

.....
.....
.....
.....
.....

Section 3: Future phases

12. If future planning allowed, would you like to see any community facilities added to the scheme (please rank these in order of priority, with 1 (highest priority) and 8 lowest priority)?

- Healthcare, e.g. Doctors surgery
- Dental care
- Café
- Shop
- Pub
- Religious space
- Post office
- Other (please specify below)

.....

This is the end of the survey.

Please complete the information on the next page – Section 4 – so that we can take your views into account.

Thank you.

Section 4: Your details

For your comments to inform this consultation, we require you to complete each of the fields marked with an asterisk. Other fields are not compulsory, but your responses will help us better understand the views of local people.

Title*
First name
Last name*
Postcode*
Phone number
Email address
Age

How many years have you lived in the local area?

If you would like to stay informed about the consultation and future plans for the area, please check the box so that we can add you to our mailing list

Thank you for taking part in our consultation
